**English Premier League 2011-2012**

The dominance of the Premier League this millennium by Manchester United, Chelsea and Arsenal looks set to be challenged this time by big-spending Manchester City. The red half of Manchester however remains the team to beat however as they seek a record 20th top flight title. Chelsea's new management set up will no doubt be closely scrutinised to see if they too can topple Alex Ferguson's stars.

England and India start their much anticipated four-match test series at Lords with the tourists heading the ICC test rankings with England in third. Andrew Strauss's men come to this off a 1-0 test series win and a 3-2 ODI series victory over Sri Lanka but will have to significantly raise their game if they want to contain the MS Dhoni's world beaters and the Little Master Sachin Tendulkar.
