Arsenal v Liverpool
After a lacklustre start Arsenal host Liverpool at the Emirates with the two sides opening their Premier League accounts last week with a single point apiece. The Gunners week hasn't been great with suspensions and injuries and finally the long-awaited transfer of Cesc Fabregas back to Barcelona. Meanwhile Liverpool's reconstruction continues with fans waiting for their new signings to start firing.

Chelsea v West Brom

Much had been made of AVB and his high stakes signing from Porto but the hype didn't last long following their goalless opening round event against Stoke. Some say that his ageing team needs an injection of young blood and that Fernando Torres needs to find his form but there will no doubt be plans afoot to deal with these matters and Roman Abramovich's cheque book will doubtless take a battering in the next two weeks.

Rugby World Cup Winner 2011

New Zealand is the venue for the 2011 Rugby World Cup where the hosts are hot favourites for the Webb Ellis trophy. Despite their recent dominance the All Blacks have failed to turn up in this tournament since winning the inaugural event in 1987. Meanwhile Australia have featured in three finals winning twice, holders South Africa were previous champions in 1995 and England have just the one victory to their name as a result of the famous Jonny Wilkinson drop kick in 2003.
