Rugby World Cup
New Zealand is the venue for the 2011 Rugby World Cup where the hosts are hot favourites for the Webb Ellis trophy. Despite their recent dominance the All Blacks have failed to turn up in this tournament since winning the inaugural event in 1987. Meanwhile Australia have featured in three finals winning twice, holders South Africa were previous champions in 1995 and England have just the one victory to their name as a result of the famous Jonny Wilkinson drop kick in 2003.

Featured LTO Review This Week

The [Betplan review](#) is now back on track, after an error in the reporting of the results. The profits are not as amazing as we originally thought, but as of Thursday, the reported profits are 518 points and 735 points on a 1,000 point starting bank. This still represents 52% and 73% profit in 29 days.
