Victor Chandler PREMIER LEAGUE SNOOKER - Place a match bet and if your selection loses but scores a century or more Victor Chandler will refund your stake as a FREE BET!		It's been tough times for Chelsea of late following their defeat at the hands of QPR with 9 men and their extra time Carling Cup success against Everton midweek with 10. Despite resting key players all this adds up to some very tired legs ahead of their London derby against Arsenal. Couple this with the ongoing John Terry racial abuse allegations Chelsea could be vulnerable against an improving Gunners side.

SOUTH AFRICA V AUSTRALIA ODI SERIES - If JP Duminy (South Africa) or M Hussey (Australia) are Top Batsmen for their side, Fred will refund all losing bets on their side's Top Batsman market.

West Bromwich Albion v Liverpool

Slowly but surely West Brom have put a little run together and are unbeaten in their last four Premier League starts, dispatching neighbours Wolves and Aston Villa, taking a point out of Sunderland and Fulham and conceding only three along the way with two clean sheets. Liverpool look none too shabby either undefeated in their last six in all competitions earning eight league points from a possible 12.

India v England T20

Having suffered badly at the hands of England this summer India returned the favour in spades by spanking the tourists 5-0 in the ODI series and with this T20 International as the final fling of the tour, the hosts will be looking for a clean sweep. This was the third 5-0 ODI series defeat for England and twice at the hands of India so can we expect anything different in this twenty-over finale?

Tottenham Hotspur v QPR

It's been ups and downs at QPR recently having been drubbed 6-0 by fellow West Londoners Fulham then seeing off noisy neighbours Chelsea 1-0. Neil Warnock's strategy was to get up and into Chelsea's face which worked a treat and we can expect much of the same here. Spurs however are undefeated since their slip up against Man City back in August and are riding high in the league in a European spot.
