Blackburn Rovers v Chelsea Blackburn would normally be quaking ahead of an engagement with Chelsea but the Blues run of poor form has exposed their frailties and will no doubt give the hosts a lift. Rovers however have their own difficulties at the foot of the table with fans voicing their dissatisfaction with manager Steve Kean but a big performance here would certainly give fans something to sing about again.

QPR v Manchester City

QPR defeated Chelsea at Loftus Road with 'get in their face' tactics and there's no reason to expect anything different as Manchester City take their turn in Shepherd's Bush. The only difference might be slightly less intensity given the nature of the opposition but QPR will have a go nonetheless. This one against City sees the end of a difficult run for QPR with a possibly easier path ahead in the coming weeks.
