Norwich City v Arsenal
Arsenal's recovery from their worst season start ever sees them within reach again of the top four following a run of four league wins including the 5-3 win over Chelsea. Norwich look none too shabby either sat unexpectedly in the top half having been early season relegation favourites. The Canaries strike rate in front of goal is noteworthy with nine goals in their last four league outings.

Manchester City v Newcastle United
Manchester City host Newcastle at Eastlands where the two sides have a combined unbeaten league run of 23 games between them. Of that number Newcastle have 14 equalling their all time record of unbeaten top flight matches dating back to 1950. City's firepower will be the key here scoring on average 3.54 goals per game but Newcastle have conceded only 8 goals in 11 starts this season.

Swansea v Manchester United

This looks like an admin job when taking into account the clubs involved but Swansea are the dark horse of the Premier League when looking at their home form. The Swans are unbeaten at the Liberty Stadium in 14 games stretching back to February and have conceded only once throughout, that being of the 'own' variety. These two have yet to meet in the Premier League era and United have never won in Swansea.

Grand Slam of Darts

£400,000 is on offer at the 2011 Grand Slam Of Darts where Phil 'The Power' Taylor looks for a fourth win in the five occurrences of this event. 2010 champion and 2009 runner-up Scott 'Scotty 2 Hotty' Waites is an early victim failing to make it past the opening weekend. Popular Dutchman Raymond 'Barney' Van Barneveld is also an early faller at the hands of Ted 'The Count' Hankey. Nice.

I'm A Celebrity...

I'm A Celebrity is back where B and C-listers are tested by jungle discomfort and fed insects and animal parts for the shot at King Or Queen of the Jungle 2011. Mark Wright from TOWIE, Anthony Cotton from Corrie and Dougie Poynter out of McFly make the early running followed by Freddie Starr who allegedly has a strong stomach were rodents are concerned. Ant & Dec of course take us through it. Ugh.
