England v Switzerland

With four group matches played so far England host Switzerland in this Euro2012 Group G qualifier at Wembley. The hosts have already stamped their mark on their opponents with a 3-1 victory back in September in Basel and the return leg in London will be an even stiffer test for the Swiss. England are without loss so far in the tournament with the only blemish being their disappointing 0-0 draw at Wembley in October.

Featured Review For The Week

Bonus Bagging

Inspector Magnifique is reviewing Bonus Bagging

I put the intro for this service in the newsletter a couple of weeks ago. After a heated [series of comments](#), Magnifique has written up his [first review](#) and made £78+ profit – I can't wait for the next Magnifique report!

Hi Bloggers,

Week 1 with *Bonus Bagging* and an interesting week it has been.

Actually, it was not a week but two and a half. That's practically because I needed to see how the service works and get used to it, so I started quite slowly.

There were a number of various offers throughout the period. I didn't do all of them and tried to be selective, choosing either completely risk-free, or very low risk offers, those that suited me personally. Mike sent all the needed instructions for every offer, so they were pretty easy to do. Below are the ones I completed.
