**Rugby World Cup**  
New Zealand is the venue for the 2011 Rugby World Cup where the hosts are hot favourites for the Webb Ellis trophy. Despite their recent dominance the All Blacks have failed to turn up in this tournament since winning the inaugural event in 1987. Meanwhile Australia have featured in three finals winning twice, holders South Africa were previous champions in 1995 and England have just the one victory to their name as a result of the famous Jonny Wilkinson drop kick in 2003.

**BETFRED**  
QPR V NEWCASTLE - If your player scores the first goal of the match and then goes on to score another, Betfred will double your first goalscorer price.

Liverpool visit Stoke City for the first post-transfer window outing for both. The Reds restructure continues and the signing of Andy Carroll, Luis Suarez, Stewart Downing and Charlie Adam provides a real statement of intent. The six league goals and seven points from their opening three games indicate a real sea change at Anfield which makes Liverpool a real top four challenger.

## **Featured LTO Review This Week**

Turf Wars had a roller-coaster ride in the review that we gave it on BettingSystemTruths. So how is it doing now that we are reviewing it on LTO?

As of 9<sup>th</sup> Sept the profit was 100 points on a 150 starting bank. Mind you it has already been a roller-coaster ride – it was 60 points down at one stage.
